Coimbatore, TN

About Me.

I am Sanjai Kumar, a passionate computer enthusiast with a love for learning about the internal workings of technology. In addition to my technical skills, I also have a deep appreciation for classical music and enjoy listening to artists such as Erik Satie and Beethoven. I am excited to leverage my skills and passion for technology to contribute to a dynamic team and make a positive impact in the field.

Experience.

Web developer Freelancing

I have worked with a few developers to brainstorm new ideas and with code contributions.
